
Solid Waste Management Division

1. Local Government Unit Ten-Year Solid Waste Management Plan (New)

The Province, City or Municipality, through its Local Solid Waste Management Boards, shall prepare its respective 10-Year Solid Waste Management Plans consistent with the National Solid Waste Management Framework. The plan shall contain all the components provided in Section 17 of the RA 9003 and a timetable for the implementation of the solid waste management program and shall be reviewed and updated every year by the Provincial, City or Municipal Solid Waste Management Board.

All local government solid waste management plans shall be subjected to the approval of the Commission. The plan shall be consistent with the national framework and in accordance with the provisions of RA 9003 and of the policies set by the Commission.
